

Richmond Unlimited presents the:

QUEEN STREET QUEST ~ *The Great Family Challenge*

With challenges made for the whole family, the 18th of April will be a day to remember, right in the heart of Richmond! Test your mind, your determination and your sense of fun! There are some epic prizes up for grabs plus the glory of conquering the 2020 Queen Street Quest! All teams must be made up of 3 or more, so register your whanau now at www.richmondunlimited.co.nz

Team Formation:

- The only rule is - you need a minimum of 3 people.
- We appreciate that families come in all shapes and sizes! As long as you consider them family, then we do too! We see this as a great opportunity for some family bonding.
- So get your Grandad and your cousin, your neighbour that's always at your house and considered part of the furniture and test your problem solving skills together.
- If you were considering a team of 8, you may prefer two teams of 4 for example, to enable more 'game time' but it's not necessary.
- We envisage smaller groups may have an advantage because they get through physical challenges quicker, but the bigger groups may have an advantage because they have more heads to put together for the mental challenges.
- Feel free to include the littlies - those nursery rhymes may come in handy! Prams are welcome, but we'd recommend 4yrs +.

Timing:

- We require you to register & pay online by the 14th of April 2020.
- Team check-in on the day is between 8am-9am with a 9am briefing for all participants.
- All teams must stay together throughout the quest and cannot move on to the next challenge until successfully completing the current one. We envisage it will take each team approximately 45minutes to complete the entire challenge.
- Prizegiving will be held at approximately 12.30pm.
- There will be a maximum of 100 teams for the 2020 Quest.

Cost:

\$25.00 per team payable by direct credit to our NBS account 03-1354-0283794-00 by the 14th of April 2020 (using your team name as reference).

Prizes:

- Not only will you have a great family bonding experience, but each team will get a wee goodie bag and be up for spot prizes.
- The quickest 30 teams go in the draw for some epic prizes!
- Creative team outfits are encouraged! Wear something that can be recycled or re-used and you could be in for a team spot prize!
- Spot prizes will also include a prize for the best team name, amongst other fun participation highlights.

Winning:

You're all winners in our eyes for taking part, but the quickest 30 teams that complete all 10 challenges (by handing in a completed game card together) will go in the draw to win some extra prizes.

Weather:

If it's raining on the day, the Queen Street Quest will be moved to the Richmond Town Hall. All team contacts will be notified on the morning of the event. No refunds will be given.

Types of Challenges:

Designed for all the family, we have a mix of mental and physical challenges. It's a little bit Amazing Race come Top Town come The Block Quickfire Challenges! Please feel free to get in touch if you have any questions or concerns about your capability and what's involved. The road will be closed and the course itself runs on Queen Street between AMI & Richmond Night & Day (there & back).

Spectators:

This is a great spectator event, and they're more than welcome. It's a nice compact area and they'll be able to move along and view you complete all your challenges from the footpath. Plus, there are plenty of nearby café's and shops for them to recharge while they wait!
